HEADTEACHER NEWS

Dear Parents and Carers,

Over the past 15 months, Heelands School has undergone a lot of change. Mr Fraser and I have worked with all staff to make sure that your children get the best teaching and learning opportunities possible. We hope you have managed to read our Ofsted report now which recognises the journey the school has been on and how wonderful the pupils are.

[Heelands School - Open - Find an Inspection Report - Ofsted](#)

We never take for granted the support that we receive from all parents and carers and that really shone through yesterday at Sports Day.

The afternoon, which was thankfully dry and sunny, was a true community event. It was wonderful to see so many adults dressed in colours to support their child's team. All adults were cheering on all children and there was a lovely positive energy with everyone enjoying themselves. Thank you so much for contributing to this. It always means a lot to the children to have their families join them for events such as this and it was clear how hard they tried and how they worked to impress the spectators!

Next year watch out for a Parents' Race!

Wishing you all a relaxing weekend.

We shall see you at the gate on Monday ready for the penultimate week of the summer term!

Becky Daley
Associate Head

EYFS - Monkeys

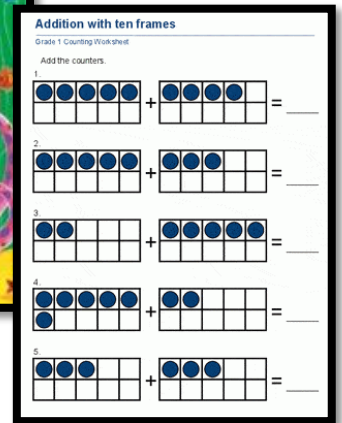

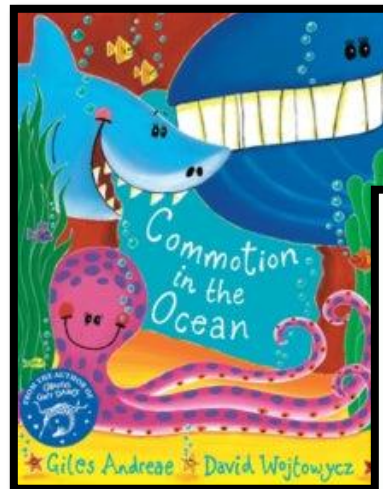

Monkeys class have spent the past few weeks practising with the rest of the school for Sports day. They have explored different events such as the hurdles, sack race and other activities.

They have also spent some time in their new class with Mrs Lui, they are very excited to be in Maple Class. I hope they have told you some of the activities they did in Year 1.

We have started a new book called 'Commotion in the Ocean.' We have created fact file pages about Turtles and Whales and have also started to compare beaches near us and St Lucia. The children were able to recognise the differences and similarities.

Continuing with numbers we have been focusing on addition, using ten frames and pictures to help us solve the number sentences.

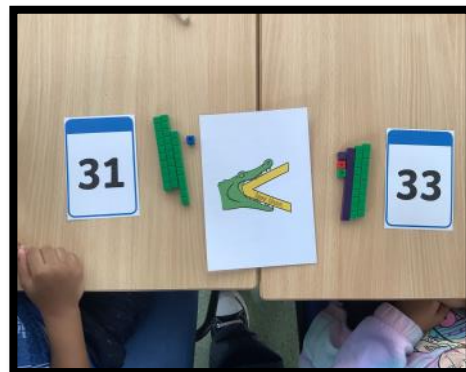

We are looking forward to our last few weeks where we will be writing riddles and designing boats that will float.

YEAR 1 - Lions

This week Lions class have been busy comparing numbers within 100. We have looked at comparing numbers with the same amount of tens, and comparing numbers with different amount of tens. The children have practiced finding one more and one less and using the language of greater than and less than.

The Lions have visited their new class this week and enjoyed being the new Oak class!

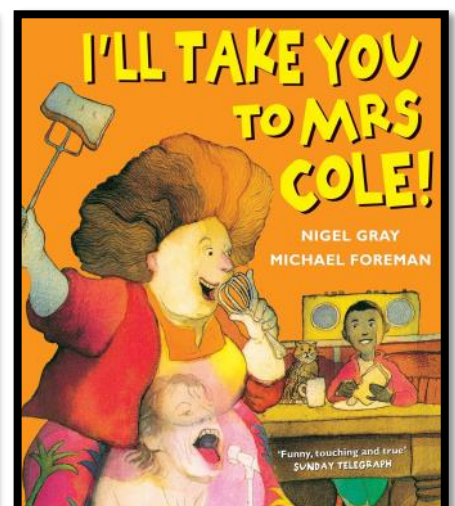

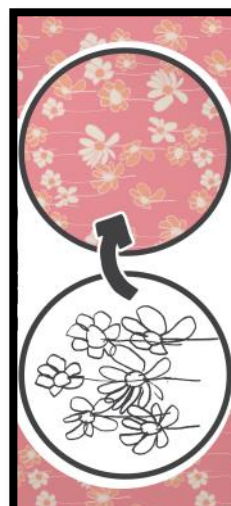

YEAR 2 - Giraffes

Giraffe class have had a busy couple of weeks, transitioning to new schools, learning the story of Mrs Cole and making wall paper in Art.

We have all handled moving onto our new schools with great enthusiasm and maturity, you should be very proud of yourselves.

In English we are now writing our own versions of 'I'll Take You to Mrs Cole'. They are very entertaining, a little bit scary in places, but also interesting which adults the children have chosen to be the main character of their story. It is wonderful to see what competent writers the children now are.

In Art we have really found it challenging to design wall paper with a repeating patterns and exact matching colours. Some of us wished we had not chosen such intricate patterns but we have learnt how to refine our drawing and improve our colour mixing skills.

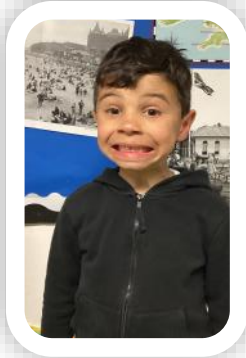

Celebration Assemblies...

Congratulations to our Sparkler Children. These assemblies celebrate children's efforts in all areas of work and play.
